President, City Municipal Council,
Mysore

GENL. & REV. SECTT. B 6 FEB 1926 G. D. SECTION.

To

The Secretary to the Government
of His Highness the Maharaja of Mysore,
Local and Legislative Departments,
Bangalore.

Sir,

With reference to Government Notification No.L.4587/[illegible] 71-22-16 dated 15th December 1923, (copy enclosed) defining the boundaries of this Municipality, I have the honour to state that the Vontikoppal Railway Colony was by mistake included therein.

The question of the inclusion or otherwise of the Vontikoppal Railway Colony has for years past been engaging attention of the Municipal Council, who after considering the question in all its bearings resolved at their meeting held on the 28th March 1925, that it was not to the advantage of the Municipality to have the Colony so included, as the expenditure likely to be incurred from its inclusion would be out of all proportion to the income to be derived therefrom. Accordingly para 1, of the notification referred to above, has to be suitably amended. Copy of para I (English and Kannada) as amended is enclosed herein.

The Municipal Council have at their meeting held on the 5th December 1925, approved of the amendment to the existing boundary so as to exclude Vontikoppal Railway Colony and a copy of the Resolution is herewith submitted for information.

In these circumstances I request that you will kindly move Government to have the same published in the Mysore Gazette

RAILWAY SECRETARIAT
RECEIVED
10 MAR 1926
BANGALORE

6] The Vontikoppal Railway Colony is already within the Municipal limits and there is no reason to exclude it now particularly because the Municipality cannot in its present financia circumstances take it over for working. The Railway Department pays Rs.1,800/- per annum as taxes to the Municipality for the area round the Mysore Railway Station, where it does not spend all the amount. The loss, if any, in taking over the Railway Colony would be a set off against this gain.

2. The Railway Colony is like any other exter sion built and improved by the Trust Board and subsequently made over to the Municipality and the provision of its first cost by the Railway Department should not make matters different.

3. The charges connected with the maintenance of roads within the Colony including drainage, sanitation, water supply etc., are at present being met with by the Railway Department and they should sooner or later have to be borne by the Municipality. It will have merely to extend the facilities allowed to a portion of the same extension on the opposite side of the road from Krishnaraja Sagara Dam. As such the Municipality should be urged to give effect to the orders already passed, vide G.O.No.R. 1379-383/Ry.F.86G.24-25, dated 21st January

REV. SECT. BR. L AUG. 1926 D. SECTION.

without the necessity of altering the boundry limits at this stage.

Serial No.

These papers relate to the proposal of the Mysore City Municipal Council to exclude the Venkatappal Railway Colony from the Municipal area.

The Secretary for Railways who was consulted in the matter states that the Colony like any other extension was built and improved by the Bangalore Board and subsequently made over to the Municipality; that the charges connected with the maintenance of roads drainage, water supply are at present being met by the Railway Department and that the provision of cost by the Railway Department should not make matters different.

In Government Order No.R.S.1379-383/Ry.F.86 & 24-25 dated 25th January 1925 Government have directed that the inclusion of the Colony within Municipal limits as early as possible. The Municipal Council states that it is not to their advantage to include the Colony in their area.

The Second Member (as Dewan in charge) has asked whether (1) the Municipal Council is collecting any tax in this Colony & (2) whether it is open to the Municipality to propose to include in or exclude from its jurisdiction certain areas on the ground that it is to its advantage or disadvantage.

Re: (1) It is stated that the Municipal Council does not collect any tax in this Colony.

Re.(2) The Municipal Council may no doubt make proposals to suit its own interest, but the Government have the supreme voice in the matter. The power to determine the boundaries of a -

Municipality in the legislature. The legislature may at any time divide one Municipality into 2 or consolidate Municipalities into one or annex additional territory to a Municipal Corporation or take away territory which it already has without the consent of any of the Municipalities affected or even against their express protest. The legislature has also power to alter or extend the limits of the Municiaplity. Its sovereign power includes the power to change the boundaries of Municipal Corporation at discretion and without the consent the Municipality or its inhabitants. The Municipal Acts provide for the Government declaring any local area to be a Municipality and for extending, contracting or otherwise altering the limits. (vide Section 11) of

OFFICE.
Received on
- SEP. 1926

The Government have in virtue of their power under Section 4 of the Municipal Regulation fixed the boundary of the Mysore Municipality so as to include Vontikoppal Colony in it. They may adhere to this even though the Municipal Council may think that it does not derive any advantage from this.

The Municipal Council may levy the taxes leviable under the Municipal Regulation in this area and should provide for necessary convenience also as far as possible.

The proposal to exclude the colony may perhaps therefore be vetoed.

Subject Exclusion of Vontikoppal Railway Colony from Municipal limits

To

Regarding the inclusion of the Vontikoppal Railway Colony within Municipal limits, the Council, after considering the question in all its bearings, resolved at their meeting held on the 28th March 1925 that it was not to the advantage of the Municipality to have the colony so included. While the matter was still under consideration the colony was, by mistake, included in the Notification No.L.4587/M1.71-22-16 dated 15th December 1923. Hence an amendment to the existing boundary notification is necessary and the same after approval will be sent to Government for further action under Section 8 of the Municipal Regulation. The boundary notification (para 1) with the proposed amendment, would read as follows:-

Para 1 of the Notification (as amended)

The boundary line of the City of Mysore, commences at the boundary stone fixed 270 feet, from the 2nd furlong of the 3rd mile on Yelwal road, and runs along the boundary line of Padavarahalli village, to the west of Survey Nos:-88,89, 90,103,104,105 and 106 and crossing the hills of the same village, turns to north-east and runs along the north-west boundaries of Survey Nos:-112 and 113 of Padavarahalli village and 54,56 and 57 of Margoudanahalli village, meeting another hills of the north-east corner of Survey No.58 of the same village. From this point, the line runs along the northern boundaries of Survey Nos:-51, 49,48,46,47 and 41, and meets the right end of the Princess Road at the North-east corner of Survey No.41. Then the line runs south-east along the eastern boundaries of Survey No.41 and passes through Survey No.43 of Margowdanahalli village and Survey Nos:-15,16,8,18,19 and 20 of Padavarahalli village along the left margin of the Princess Road, and continues along the southern boundary of Survey No.20, till it meets the south east corner of the same survey number. From this point the line turns north-east, and runs along the eastern boundaries of Survey Nos:-20,19,18 and 17 of Padavarahalli village, until it meets the north-east corner of Survey No.17 of the same village. From this point the line turns west, and runs along a portion of the southern boundary of Survey No. 28 of Margoudanahalli village, until it meets the

south-west corner of the same survey number. From this point the line runs north along the western boundaries of Survey Nos:-28 and 30 of same village, and turning east at the north-west corner of Survey No.30, runs along the northern boundary of the same Survey number, till it meets the south east corner of Survey No.32 of Margoudanahalli village. From this point the line runs in a northerly direction along the eastern boundary of Survey No.32, until it meets the north-west corner of Survey No.31 of the same village. From this point the line turns east, and runs along the northern boundaries of Survey No.31, and continuing straight across Survey No.12 meets the northwest corner of Survey No.13 of Margoudanahalli village. From this point the line runs along the northern boundary of Survey No.13, and crossing the survey No.14 of the same village, and also the Mysore Arsikere railway line within the No.14, and crossing the Mysore Bangalore railway line just at the south-eastern corner of Survey No.14 of the same village, and going again still towards the east, keeping the north rn boundary of Survey No.9 of the same village, meets the Municipal boundary stone No.2 on the old Belagola road.

Paras 2 to 13 remain unaltered.

President.
City Municipal Council,
Mysore.
